

YAMAHA PIANO CLASS

individual personalized itineraries starting from 9 years of age

objective : creativity and conscious expressiveness

This path allows you to deepen the expressive aspects and techniques necessary to PLAY the most important compositions in the best possible way, as well as IMPROVISE and COMPOSE your own music.

Conceived as an instrumental synthesis, the student is invited to imagine the PIANO AS AN ORCHESTRA with infinite tonal and expressive possibilities, cultivating a truly in-depth artistic and emotional sensitivity.

The ideal path to better prepare exams and auditions.

The course is structured in 12 levels, with multi-year development, depending on the student's entry level, with 30 annual individual lessons (15 per semester), of 30, 45 or 60 minutes each.

It is subject to periodic verification by an external certification institution.
